**5. Deputations and Presentations****5.1. Proposal to Amend Cemetery By-law**

Shawn Davidson from Carruthers & Davidson Funeral Home and a Township contractor for the Stayner Union Cemetery provided a brief presentation to Council requesting an amendment to the Cemetery By-law to allow families that own lots that are adjacent to one another to have text that includes given names and dates on the backside of the monument. Mr. Davidson explained that this is a historical occurrence that was previously permitted by the former Stayner Union Cemetery Commission that he was a member of but was not included in the Cemetery By-law when the Township took over operation of the Stayner Union Cemetery. The current By-law only allows for the surname, text inscription or picture on the backside of a monument.

The Clerk further explained that there are other amendments to be made to the Cemetery By-law which includes adding the Nottawasaga West Church Cemetery as a Township owned cemetery and to include provisions pertaining to the Scattering Garden at the Stayner Union Cemetery. It would be efficient and effective to include all these updates in one amending by-law for the BAO's approval.

To provide staff the flexibility to honour historical practices, Council passed the following resolution:

**Resolution:**

Moved by Councillor Dineen, Seconded by Councillor Walker, Be It Resolved that Council of the Township of Clearview hereby direct staff to bring a report forward at the next meeting of Council with a proposed amendment to the Cemetery By-law permitting the engraving of given names and dates on the back of a monument, only if the interment right holder is the same for both burial lots; and,
