

Notice – Know Your Ward for the 2022 Municipal Election

Like all municipalities across Ontario, in Clearview Township we are preparing for the 2022 Municipal and School Board election on October 24, 2022. Part of that preparation includes making sure that residents know what Ward they live in.

For the Municipal Election, you cast a ballot not only for the offices of Mayor and Deputy Mayor but for your Ward Councillor as well. This is important for the 2022 Municipal Election because Clearview has gone from 7 wards to 5.

To make this reduction in Wards, boundary lines were changed, and you may not be voting in the same ward as you have in past Elections.

So, want to know what Ward you live in? It's easy, watch the Know Your Ward video and visit www.clearview.ca/my-ward to use the interactive Ward Search Tool or view the Ward Boundary Map.
