Next Council Meeting: June 24<sup>th</sup>, 2024

---

For the official record, please refer to the minutes which are posted after adoption at the next Council Meeting.

### **Awake Canada Municipal Cemetery Adoption Program (MCAP)**

Council authorized staff to apply for the Municipal Cemetery Adoption Program through Awake Canada to create a 50 sq ft scattering grounds garden at the Stayner Union Cemetery through the Federal cleantech program. Awake Canada has created a patented organic soil amendment product to turn cremated remains to living organic earth, allowing a beautiful, sustainable and affordable resting place while providing the cemetery with interment revenue.
