## Council Meeting Highlights October 30<sup>th</sup>, 2023

Next Council Meeting: November 13<sup>th</sup>, 2023

---

For the official record, please refer to the minutes which are posted after adoption at the next Council Meeting.

### **Battery Energy Storage Systems & IESO Long-term RFP**

Council directed staff to prepare a Blanket Municipal Support Resolution for the use of proponents engaging in the LT1 RFP for Battery Energy Storage Systems containing the condition that it may not be used for the purpose of any other form of approval in relation to the Proposal or Long-Term Reliability Project or for any other purpose.

---

### **On-Street/Sidewalk Patio Policy Update**

Council directed staff to amend the On Street/Sidewalk Patio Policy by eliminating, on the recommendation of the Accessibility Advisory Committee, sidewalk patios (storefront patios) from the policy and only permitting curb side patios. Staff will report back to Council with a revised policy in February 2024.

### **Amend Procedure By-law 12-19 (Public Meeting Start Time)**

Council supports amending section 6.1 d) iv) to state that Public Meetings not being held during a regular Council Meeting will begin at 5:30 p.m. and that Public Meetings that form part of a Regular Council agenda will commence based on the Order of Business of the agenda.

This amendment will come into effect on January 1, 2024.
