Recommendation

Be It Resolved that Council of the Township of Clearview hereby receive report FIN-004-2024 (2022 & 2023 Statement of Remuneration), dated February 12, 2024.

Background

This report provides a summary of the remuneration and expenses paid in the 2022 and 2023 fiscal years to each member of Council and to persons appointed by the municipality to serve as a member of any body, including a local board, in respect of his or her services as a member of the body.

This report is in accordance with S. 284 of the Municipal Act.

In accordance with S. 284(2) of the Municipal Act the Bylaw under which the remuneration or expenses were authorized to be paid are as follows:

Clearview Township By-laws #19-32 which came into effect on March 18, 2019, cites the annual remuneration and annual expense allocations for members of Council for 2022 and By-law #22-70 which came into effect on August 22, 2022, cites the amounts for 2023.

The boards and committees which have By-laws citing the annual remuneration, per diems, honorariums and annual expense allocations for persons appointed to the respective boards and committees have been noted with the Bylaw number.

Comments and Analysis

Only those members of Council or persons who received remuneration or expenses have been identified in this report. Persons who did not receive remuneration or expenses have been omitted.

Please note that some expenses are for meals at a conference and are for multiple members of Council. As it is not known who ordered which items, the entire expense is recorded under the Council member who remitted the expense.
