FOR IMMEDIATE RELEASE

Clearview Township Launches User-friendly Recreation Registration System

CLEARVIEW, ON October 1, 2024 – Clearview Township has launched a new online and user-friendly recreation registration platform called Xplor Recreation. The modernized service will allow users to search, register and pay for programs, memberships and facility bookings at their convenience.

"I encourage interested residents and local sports organizations to register for the new facility booking tools." said Mayor Doug Measures, "You will find it easy to review the available ice and field times and in the warmer months using the Xplor platform makes it easy to register for the popular summer Pool programs where lessons fill up quickly."

After following the quick and easy four-step sign-up process, the Xplor Recreation platform will allow users to:

- Search and register for recreation and Youth Centre activities, courses and events
- Discover and book Township facilities (*beginning October 10th*)
- Register for free Youth Centre memberships and purchase swim passes
- Manage memberships
- Request refunds online

"This is a big step in making the Department of Parks and Recreation offerings more accessible," says Terry Vachon Director of Parks and Recreation. "Now with Xplor, users will have reliable access to an easy-to-use system. The convenience of this new system, along with its new features, is something we're excited to share with the community".

Visit www.discoverclearview.ca/registration to sign up and Xplor Clearview Recreation from any device, any day, at any time.
