FOR IMMEDIATE RELEASE

## Council Meeting Livestreams Moving to Clearview.ca on October 5

---

CLEARVIEW, ON, September 15, 2026 – Beginning Monday, October 5, residents can watch Council meeting livestreams exclusively on Clearview.ca through the Agenda and Minutes page, [clearview.ca/agendas-minutes](http://clearview.ca/agendas-minutes).

Previously posted Council meeting videos will remain available on YouTube. Council meetings will continue to be livestreamed, with all new livestreams and recordings after October 5 available on Clearview.ca.

By hosting videos directly alongside agendas and minutes instead of on YouTube, residents can more easily access all Council meeting information in a single location. Some additional video-related features will make following Council matters of interest easier, starting October 5:

- The video will now specify when Council is in closed session, on a recess, or if the meeting will begin shortly, rather than showing a blank screen.
- Through the HTML version of the agenda, clicking on a Council Report will take the viewer to the portion of the video where that report was discussed by Council.

No account or registration is required to watch Council meetings on Clearview.ca. To watch upcoming Council meetings live, read Council agendas and minutes, and stay up to date on Council matters of interest, visit [clearview.ca/agendas-minutes](http://clearview.ca/agendas-minutes).
