FOR IMMEDIATE RELEASE

## Clearview Fire Launches Upgraded Online Burn Permit Platform

### *Burn Permits Available Online*

CLEARVIEW, ON April 21, 2026 – Clearview Fire and Emergency Services has launched a new platform where burn permits can once again be purchased online. Community Connect is an upgrade from the previous burn permit platform. In addition to burn permits, residents can opt to provide important information that will assist Clearview Fire & Emergency Services in the event of an emergency.

All property owners interested in having an outdoor fire in Clearview Township are required to purchase a Burn Permit. Permits cost \$10 per property and are valid for the calendar year. **As we transition to the new platform, any 2025 regular burn permits will be temporarily extended until May 21, 2026.**

Online purchase is encouraged, but permits can still be obtained in person at the Clearview Township Administration Centre during regular business hours.

To create a Community Connect account, purchase a burn permit or learn more about the new platform, visit [www.clearview.ca/burn-permits](http://www.clearview.ca/burn-permits).
