

Official Plan Review Survey Extended to November 30th

As part of Clearview Township's Official Plan review process, residents are invited to submit their comments about the Official Plan by filling out the online Official Plan Review survey. The survey deadline has been extended to Saturday, November 30th.

The survey allows residents to have their say about land use and development within Clearview for the next 25 years and beyond.

Help shape the future vision and direction of Clearview by filling out the Official Plan Review survey at www.clearview.ca/OPreview. The survey is brief and only takes five to ten minutes to complete.

For more information on the Official Plan Review or if you would like to participate in the review process by filling out the survey, please visit www.clearview.ca/OPreview.
