

Notice – Community Safety & Well-being Plan Survey

Clearview Township, along with our neighbours in the Town of Collingwood, Springwater Township, and the Town of Wasaga Beach, are working together to create a Community Safety and Well-Being (CSWB) Plan.

After a comprehensive prioritization process that was informed by current data, the South Georgian Bay and Springwater CSWB Plan will focus on the following three areas of risk:

1. Mental Health and Addictions
2. Attainable Housing
3. Access to Services

We are looking for the assistance of our residents in advising us on what you believe, or have experienced to be, any challenges, obstacles, or gaps in addressing the above issues.

Please provide your thoughts by filling out the Community Safety and Well-Being (CSWB) Plan survey online <https://www.surveymonkey.com/r/SGBandSP>. Your thoughts or ideas on how best to create solutions to the above areas of risk are welcome.
