## Notice - Dogs Must Be Leashed in Clearview

---

Residents are reminded that in Clearview Township dogs must be leashed unless on their property or at an off-leash Dog Park. By-Law 01-50, Canine (Dog) Control, section 3.8 states "The owner of a dog that is in a public place shall ensure the dog is on a leash."

Clearview's off-leash Dog Park, nicknamed the Clearview EcoBark, is fully equipped with tunnels, ramps, a drinking water fountain, a dog washing station, leash holders, benches, picnic tables and a double-gated entrance. The park is located at 5833 County Road 96 (formerly 27/28 Sideroad) in Stayner and is open year-round from sunrise to sunset.
