Recreation Programming & Events Return in 2022

CLEARVIEW, ON March 8, 2022 – As COVID-19 restrictions gradually loosen in Ontario, Clearview's Parks, Culture and Recreation Department is happy to announce the return of the Spring & Summer Activity Guide publication this month.

The Activity Guide is a semi-annual recreation and events publication produced by Clearview Township, in partnership with the Creemore Echo and features a comprehensive list of recreation programs and community events happening throughout the Township. Thanks to the many community organizations and businesses that provide great content and purchase ads, the guide is full of useful local information.

Community, Culture and Tourism Coordinator, Amanda Murray is looking forward to the return of regular programming, "we are excited for the return to recreation programs, events and tourism initiatives for 2022. We look forward to encouraging our residents to get out and participate in as many activities as possible and to welcoming visitors to Clearview Township."

View the activity guide online at www.discoverclearview.ca/activity-guide. Copies are mailed out to Clearview residents and are also available at the Tourism Information Centre, Clearview Library Branches, the Creemore and Stayner Arenas and many local attractions throughout Clearview and across Simcoe County.
