Township of Oro-Medonte: Amalgamation of the NVCA & LSRCA

Clearview Township Council recognizes that the NVCA and LSRCA serve distinct and separate watersheds and opposes the proposal of amalgamation, given that no expert analysis has been provided to move away from watershed-based Conservation Authorities. Council supports the NVCA Board's continued and enhanced collaboration between Conservation Ontario and other Conservation Authorities to standardize processes and procedures where feasible.

A copy of this resolution will be sent to the NVCA, the Minister of Environment, Conservation and Parks and the municipalities located in the NVCA Watershed.

Provincial Gas Tax Agreement

Council directed staff to enter into a Letter of Agreement with the Province for the use of \$131,352 in Dedicated Gas Tax Funds for the Public Transportation Program. The funds are provided to improve transportation and support economic development.

Community Assistance Grant & Sponsorships 1st Intake Period

Council approved the distribution of \$47,000 to 26 community groups that provide a recognized contribution to the well-being of Clearview residents. Cheques will be presented at a future Council Meeting for those who wish to attend. The second intake period opens September 1.
