Encroachment By-law Update (Boulevard Gardens)

Council supports the new updated Encroachment By-law, which includes regulations for boulevard gardens on public lands with amendments to the height to maintain safe sightlines at intersections.

The by-law is in effect for a one-year pilot project from the day of passing, with the opportunity to make it a permanent by-law after one year.

An annual fee will be established beginning May 24, 2026.

Council directed staff to present the final by-law for approval at the June 2nd Clearview Council meeting.
