County of Simcoe Borrowing Klondike Park Road Water Project

Council authorized the Treasurer to enter into a loan agreement for a 5-year term with the County of Simcoe for an amount up to \$30,000,000.

The developer agreements that accompany the grant application have a specific clause which hinges on the expansion of the settlement area of Stayner. Council and staff have done everything within their power to assist with meeting this clause.

As there is no overnight solution for this expanded boundary, the interest-only loan through the County allows the Municipality to proceed with the project and take advantage of the grant funding.
