The Corporation of the Township of Clearview

Being a By-law to establish fees and charges for services or activities provided for or done on behalf of the Corporation of the Township of Clearview

(Fees and Charges By-law)

Whereas the Council of The Corporation of the Township of Clearview (the "Township") may pass by-laws establishing and requiring the payment of fees for information, services and other activities, including but not limited to various applications made with the Township and agreements entered into with the Township;

And Whereas Section 69(1) of the Planning Act, R.S.O. 1990 as amended, provides that the Council of a municipality may by by-law establish a tariff of fees for the processing of applications made in respect of planning matters, which tariff shall be designed to meet only the anticipated cost of the municipality and of the Committee of Adjustment constituted by the Council of the municipality in respect of the processing of each type of application provided for in the tariff;

And Whereas by-laws imposing such fees and charges are authorized by the Municipal Act, 2001, as amended, and by various other statutes;

And Whereas the Council of The Corporation of the Township of Clearview deems it expedient to impose fees and charges for services and activities;

Now Therefore the Council of The Corporation of the Township of Clearview hereby enacts as follows:

1. That the fees as listed in the schedules attached hereto and forming part of this by-law shall be paid for the services or activities listed. All fees are per occasion or request unless noted otherwise.
2. That the tariff of fees as set out in the Attached Schedule "H" to this by-law are hereby prescribed for processing applications made in respect of those types of planning and development matters as set out on Schedule "H".
3. That the fees as listed in the schedules attached hereto and forming part of this by-law, will be subject to Harmonized Sales Tax (HST) and Goods & Services Tax (GST) where applicable.
4. That The fees and charges imposed by this By-law are due and payable:
 - (a) at the time of the transaction for which the fee or charge is imposed; or
 - (b) if subsection 12(a) is not applicable, upon the due date specified in any request or invoice issued by the Township or by any other body acting on behalf of the City to any person in connection with a fee or charge imposed by this Bylaw.

5. That interest for unpaid amounts owing for fees and charges will be charged. Payment is due within 30 days of the invoice date. With the exception of Government bodies, interest may accrue on overdue accounts at a rate of 1.25% compounded and applied every 30 days until paid, unless precluded by contract, by-law or legislation.
6. All unpaid fees or charges imposed by this By-law on a person are a debt due to the Township and the Township may take such action as it considers necessary and as permitted by law to collect the debt.
7. Where all or part of a fee or charge imposed by this By-law remains unpaid, such fee or charge, including interest and any other eligible recovery, may be added to the tax roll after ninety (90) days, with applicable interest being charged, for the following property and collected in the same manner as municipal taxes:
 - (a) in the case of a fee or charge for the supply of a service or thing to a property, the property to which the service or thing was supplied;
 - (b) in all other cases, any property for which all of the owners are responsible for payment of the fee or charge.
8. In the event of any conflict between any provisions of this by-law and any other by-laws passed, the provisions of this by-law shall prevail.
9. That should any part of this by-law, including any part of the schedules attached be determined by a Court of competent jurisdiction to be invalid or of no force and effect, it is the stated intention of Council that such invalid part of the by-law shall be severable and that the remainder of this by-law including the remainder of the schedules attached, as applicable, shall continue to operate and to be in force and effect.
