Whereas the Council of The Corporation of the Township of Clearview (the "Township") may pass by-laws establishing and requiring the payment of fees for information, services and other activities, including but not limited to various applications made with the Township and agreements entered into with the Township;

And Whereas Section 69(1) of the Planning Act, R.S.O. 1990 as amended, provides that the Council of a municipality may by by-law establish a tariff of fees for the processing of applications made in respect of planning matters, which tariff shall be designed to meet only the anticipated cost of the municipality and of the Committee of Adjustment constituted by the Council of the municipality in respect of the processing of each type of application provided for in the tariff;

And Whereas by-laws imposing such fees and charges are authorized by the Municipal Act, 2001 and by various other statutes;

3. That the fees as listed in the schedules attached hereto and forming part of this by-law will be subject to Harmonized Sales Tax (HST) and Goods & Services Tax (GST) where applicable.

4. In the event of any conflict between any provisions of this by-law and any other by-laws passed, the provisions of this by-law shall prevail.
5. That this by-law shall be cited as the "Fees and Charges By-law".

Applicants are responsible for all peer review costs, consulting and legal processing fees and any other outside costs incurred by the municipality for the purposes of processing an application. Deposits required for such outside costs shall be retained by the municipality in full until the application has been fully processed and all fees and costs have been paid in full by the applicant. No interest will be paid on deposits. Additional outside processing costs will be billed to the applicant and the applicant is responsible for paying such invoices fully and promptly.
