Subject: Report # LS-013-2026 – Short-Term Rental Accommodation Licensing By-law Draft Version

Recommendation

Be It Resolved that Council of the Township of Clearview hereby receive report # LS-013-2026 (Short-Term Rental Accommodation Licensing By-law Draft Version) dated May 11, 2026, for information.

Background

In 2025, Council directed staff to begin developing a short-term accommodation program for the Township of Clearview, including a licensing by-law. This process includes public and stakeholder engagement, policy considerations, regulations and provincial legislation, and existing programs established by neighbouring municipalities.

In July 2025, as part of the public engagement process, Council and the public were presented with the short-term rental accommodation survey results that reflected seven (7) main concerns and advantages:

- Noise & Property standards
- Housing stock and Housing type
- Permanent residents vs. Transient guests
- Municipal Resources
- Tourism
- Licensing and Inspection requirements
- Fees & Municipal Accommodation Tax (MAT)

Understanding these opportunities and concerns, staff drafted a Short-Term Rental Accommodation Licensing By-law which would be the focus of the next phase of public engagement.

Comments and Analysis

The intent of this report is to provide Council and the public with the first draft of the Short-Term Rental Accommodation Licensing By-law, for the next phase of public engagement. The draft by-law has been attached as Appendix A to this report.

Public Engagement

The original plan for public engagement as outlined in the April 14, 2025, report to Council, was to:

- Hold a working session with Council
- Have a Public Open House
- Conduct Focus Group consultation

This original engagement plan was outlined prior to the issuance of the public survey, which was very effective and gleaned good information, comments, and key considerations when drafting the licensing by-law. With the effectiveness of the survey and more acceptance/tolerance of short-term rentals in neighbouring communities (with key issues addressed in their licensing by-laws), staff are going to combine the above noted consultations into one, by having a working session with Council to review the key aspects of the by-law, allowing for written and in-person comments at the session from the public and stakeholders. Staff met with a representative from Airbnb and were advised that they can send out notices to their hosts in our geographic area regarding public consultation opportunities on our licensing by-law. Leveraging this opportunity, we are hoping to receive feedback from all stakeholders with a vested interest in our short-term rental program.

If it's determined from this working session that further engagement is needed, then staff will conduct additional sessions tailored to the specific areas of interest. Staff will work with the Mayor and Council on setting a date for the Special Meeting to conduct the working session.

Draft Licensing By-law

The draft Licensing By-law attached as Appendix A is comprised of the following key areas:

- Definitions
- Administration
- Prohibitions
- Term of Licence
- Licensing Requirements
- Site Requirements
- Inspection
- Licence Issuance and Grounds for refusal
- Appeal
- Orders
- Entry and Inspection
- Enforcement and Obstruction
- Penalty
- Demerit Point System

The working session will delve deeper into each of these areas, providing the opportunity to receive feedback on what is being proposed in the draft.

Of note, the licence fee is referenced in the draft by-law but not identified. The licence fee for a short-term rental accommodation will be added to the Township's Fees and Charges By-law once approved. During the working session staff will discuss the proposed fee including the rationale behind it, which will be between \$600 - \$700.

In addition to the licensing fee, the proposed Municipal Accommodation Tax (MAT) is not included in the licensing by-law. As outlined in previous reports, the MAT is established under its own by-law. In reviewing neighbouring municipal MAT programs, it is suggested that this tax be established after the licensing by-law has been in place for a few years. This will be briefly addressed during the working session as well.

Financial Implications

Legal fees to review and provide comments on the proposed By-law were just under \$2,000 and funded from the corporate legal fees budget.

Clearview's Strategic Plan

The above initiative supports the following strategic pillars:
