Community Improvement Grant Application Form

Thank you for submitting a Community Improvement Grant Application Form. The purpose of this form is to provide details that will help the Township to assess your proposal. Applications should be consistent with the Community Improvement Plan (CIP) Guidelines.

GRANT PARAMETERS

The Guidelines include, but are not limited to, that this is generally a one-time grant of up to 50% to a maximum of \$5,000 for a front façade and an additional \$2,500 for a side and/or rear façade. The maximum grant is \$7,500, with the minimum amount one can apply for being \$500 (or \$1,000 worth of improvements collectively). Additionally, there is also a one-time grant of up to 80% for high quality signage and associated lighting. An application for high quality signage and associated lighting could cover 80% funding from both sources of \$5,000 for the front façade, combined to a total of \$10,000. Applications may be submitted for commercially zoned properties, as well as industrially zoned properties located along the main entrances to settlement areas.

APPLICATION REQUIREMENTS

All submissions must include this completed form, as well as a photo of the existing conditions, a drawing of the proposed improvements, and **two quotes for each of the proposed alterations**. During review of a formal submission, additional information may be required.
