The Municipal Elections Act, more specifically Subsection 42(3), states as follows:

Procedures and forms

Subsection 42(4), states that the clerk shall provide the procedures and forms on or before December 31 in the year before the year of the election.

Subsection 42(4), states that the procedures and forms established by the clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

In addition, the Council of The Township of Clearview has adopted By-law Number 17-12 on February 13, 2017 being a by-law to enter into an agreement with an eVoting Service Provider for Telephone/Internet Voting service for the 2018 Municipal & School Board Elections.

Subsection 11(2) of the Municipal Elections Act states that the clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

a) preparing for the election;

b) preparing for and conducting a recount in the election;

c) maintaining peace and order in connection with the election; and

d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a municipal clerk, the Municipal Elections Act further states as follows:

- 12(1) A clerk who is responsible for conducting an election may provide for any matter or procedure that,
- (a) is not otherwise provided for in an Act or regulation; and
 - (b) in the clerk's opinion, is necessary or desirable for conducting the election.
- 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.
- 13(1) Any notice or other information that this Act requires the clerk to give shall be given in a form and manner and at a time that the clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- 13(2) The clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Section 44 (voting proxies) apply only if the by-law so specifies. No proxies are permitted under this election in accordance with By-law 16-92 and the policies and procedures as designated by the Clerk for this election.

Subsection 43(1) states that before voting day, each local municipality shall hold an advance vote on one or more dates. Subsection 43(2) further states that the clerk shall establish dates on which the advance vote is held.

The Municipal Elections Act, more specifically Section 53, also provides that the clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election from being conducted in accordance with this Act and provides the authority to the clerk to make arrangements for the proper conduct of the election. Any arrangements made by the clerk, if they are consistent with the principles of the Municipal Elections Act, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as clerk of The Township of Clearview and Returning Officer for the 2018 Municipal & School Board Elections, I do hereby certify and approve the following procedures for conducting the 2018 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.

The report displays in real time the sum total of votes cast for each candidate running for an office. The timing of this report activity ensures that all totals for all candidates, confirms zero (0) votes before the electronic election begins.

The eVote will be activated unless any of the counts associated with the candidate names do not indicate a zero total, and unless directed otherwise by an election official.

3. Candidates or their scrutineer may be present to verify and ensure that all totals of votes cast are at zero (0).

This capability does not provide the candidate or their designate information on *how* a voter has voted, only if they *have* voted in the election. A voter who has voted at least one race during an election is considered a participant.

6. Candidates or their scrutineers may view this information any time after the start time of the election.
7. Where a voter is associated with multiple properties within The Township of Clearview the voter may vote only once, and the qualifying address to determine eligibility for voting shall be the place of residence of the voter. 8. Should a Voter Information Letter be returned to the Municipal Administration Office unopened, the PIN status will be disabled by an election official in a manner that prevents the PIN from being successfully validated in the voting process. The Voter Information Letters will then be marked "unused" and be retained in a secure means and subsequently destroyed at the same time as all other Municipal Election material as provided for under Section 88(2) of the Municipal Elections Act, 1996.
9. Should a Voter Information Letter be returned to the Municipal Administration Office that has been opened but has not been used for voting purposes, the PIN status will be disabled by an election official in a manner that prevents the PIN from being successfully validated in the voting process. 11.

- a. Where an eligible voter has attempted to validate his or her PIN and they have determined that the PIN has already been used, the voter can attend the location determined by the clerk, bringing satisfactory identification and have an election official confirm that the PIN has been used by an impersonator.
- b. Prior to authorizing the re-issuance of a new Voter Information Letter which contains a new PIN, the voter shall be required to respond and answer any and all questions from the election official. The election official shall document, to his or her satisfaction, questions and answers of the voter and, if deemed appropriate, the clerk shall submit same to the Ontario Provincial Police for further investigation and prosecution.
- c. If the election official believes that all questions have been answered truthfully and to his or her satisfaction, the election official may authorize the provision of a new Voter Information Letter which contains a new PIN or, at the discretion of the election official the elector will be required to make a declaration as to his or her statement and take an oath which shall be given by the election official. A copy of this declaration shall also be submitted to the Ontario Provincial Police should further questioning be required in order to ascertain if corrupt practices have occurred. The elector will be required to assist and cooperate in the investigation in determining the individual(s) who has fraudulently used the voter's assigned PIN.

12.

- a. Where an eligible voter has received an incorrect Voter PIN in terms of ward and/or school support association, the voter can contact a Voter Help Centre(s) and have the proper information applied to the existing PIN. The voter may re-access the system and vote all races not yet completed.

13. New PIN(s) shall not be given out by mail without the expressed approval of the clerk or their designate.
