CONDITIONS

This Application is subject to the following conditions and to any supplementary conditions established by The Township at the time of issue.

1. This Municipal Consent Application is subject to all Municipal By-laws.
2. Work on the construction or alterations must not be started before acceptance for the work has been issued by the Township.
3. A Road Occupancy Permit may be required prior to any construction.
4. Please ensure all communications such as Bell & Rogers are informed of work to relocate any overhead infrastructure as needed, please note this is **not** the responsibility of the Township and
5. Any disturbed areas on Municipal ROW must be restored by contractor to same or better original condition, failure to do so reserves the right for the municipality to restore those areas and invoice the applicant for those works.
6. Work on an installation or development for which an Application is granted must start within six months of the date of Issue of the Application or the Application shall be void and shall be cancelled by the Township. If further term is desired, renewal of the Application shall be made to the Township before the expiry date named in this Application. A further term may be approved or refused by the Township.
7. All works shall be carried out in accordance with approved plans and specifications and subject to the approval of the Township. The owner of the infrastructure shall bear all expense related thereto.
8. Trees, shrubs etc., on the right way of a township road must not be cut or trimmed without the written permission of the Township and such cutting or trimming may only be done under the direct supervision of the Township or its duly authorized agent; where it is necessary to cut or trim trees on property adjacent to a Township road, the applicant must make the necessary arrangements with the property owners and must bear all expenses in connection therewith, including any damages occasioned as a result of such cutting or trimming.
9. The applicant is responsible for the construction, marking and maintenance of the detours required and for maintaining safety measures for the protection of the public during the construction of any works.
10. Any designs and specifications must not be changed without the approval of the Township.
11. This Application must not be assigned or transferred from one applicant to another. Each new Application is subject to the conditions applying at time of issue.
12. An Application may be cancelled at any time for breach of the regulations or conditions of the Application or for such reasons as the Township in its discretion deems proper.
13. If during the life of this Application any Standards, By-Laws or Regulations adopted which affect the rights and privileges herein granted the said Standards, By-Laws or Regulations shall be applicable to this Application from the date on which they came into force.
