

WE'RE IMPROVING OUR TRANSIT HUB

What
you
need to
know...

Our new transit hub will provide a better and safer space for staging buses and riders.

As of August 1, 2020 the Transit Hub at the Real Canadian Superstore will be relocated from the west side of the building to the east side of the store as shown in the map. As a result of the Transit Hub relocation the Transit Stop in front of the Shoppers Drug Mart Plaza will be eliminated and users of that stop are asked to use the new Hub Location.
