Clearview Council Adopts New Development Charges By-law

On June 25, 2019

CLEARVIEW, ON March 21, 2019 – On March 18, 2019, the Township of Clearview held a Public Meeting on the proposed new Development Charges (DC's). A background study was presented, and citizens were given the opportunity to ask questions and raise any concerns.

The proposed new DC's will be higher to reflect higher construction costs and revised projects. A new DC class for Special Care units has also been created that is lower in cost. The new Development Charges By-law and fee structure will be brought to Clearview Council on June 24, 2019, with the intent to implement the new DC's on June 25, 2019.

Building Permits that are issued and paid for by Monday, June 24, 2019, will still receive the current DC rates. The proposed new rates and background study are available for review on the Clearview website at www.clearview.ca.
