Council Meeting Highlights April 29th, 2019

Next Council Meeting: May 13th, 2019

For the official record, please refer to the minutes which are posted after adoption at the next Council Meeting.

TD Lands Community Consultation Committee

Council passed a resolution directing staff to work with the Creemore Village Green Project Team to prepare a redevelopment plan.

In addition, Council directed staff to draft a partnership agreement for Council's review outlining the requirements and responsibilities of each party to successfully execute the objectives of the project, including the ongoing maintenance and activation of the village green.

Peace Naturals Site Plan

Council issued site plan approval to Peace Naturals for an expansion which includes the construction of three new buildings.

The new buildings will consist of: an addition to the administration building; a new maintenance building and a single storey storage building.

January to March 2019 Building Activities Report

Building Activities Report CS-031-2019 was received by Council as part of the regular duties of the Building Department. The report provides information on monthly building permit statistics and outlines the activity of the Building Department.

In 2019 the department has experienced strong permit activity. From January to March 40 permits were issued, compared to 26 in 2018.

Lafreniere Auto Sales & Service Site Plan

Council issued site plan approval to Lafreniere Auto Sales & Service Ltd. for the construction of a storage building and an addition to the existing building.
