REPORT TO COUNCIL

Report Number: CS-010-2021
Department: Community Services (Planning & Development)
Meeting Date: March 8th, 2021
Subject: Zoning By-law Amendment for Vending and Shipping Containers and Amendment to the Licensing By-law 14-42 (Vending By-law)

RECOMMENDATION:

Be It Resolved, that Council of Township of Clearview hereby:

- 1) Receive report CS-010-2021 from the Director of Community Services regarding an amendment to By-law 14-42 (Vending By-law) and a Zoning By-law Amendment related to vending and shipping containers (2021-014-ZBA);
- 2) Direct staff to hold a public meeting on a proposed amendment to By-law 14-42 being the Vending By-law and a proposed amendment the Zoning By-law as it relates to clarifying the intent that temporary vending is not permitted in shipping containers, street and rail cars.

BACKGROUND:

Subject Lands

The proposed amendment applies to the whole of the Township.

The Proposal

Zoning By-law Amendment:

The purpose of the proposed amendment is to clarify the Zoning By-law as it works with the intent of the Vending By-law 14-42, particularly as it relates to the prohibition of temporary vending from shipping containers and street and rail cars.

Currently the Zoning By-law has a general provision that restricts the use of shipping containers and street and rail cars along with portable structures, vehicles and

accessory buildings for storage and for sales. The provision then goes on to say that if the sales are licensed under the Vending By-law 14-42, that the use is permitted.

As the provisions for both storage and sales are contained within one sentence, the provision could be misconstrued to be interpreted that this permits vending in a shipping container, or a street or rail car. As the Vending By-law is for temporary structures that can be easily removed from a site and that there are size restrictions on vending vehicles in the By-law, Staff are of the opinion that the reference to the shipping container, street and rail car, relate specifically to the prohibition of both storage and sales and given the intent of the Vending By-law, are not intended to permission for these uses as temporary vending opportunities.

The Vending By-law is the parent By-law that regulates vending and contains the specific details for this use. Schedule B of the Vending By-law states that for a Class B - For Profit, or Commercial, Non-motorized Sales to mean the "sale of food or merchandise, or the provision of services, which primarily based from a non-motorized, muscular powered, or stationary equipment or booth and shall include but not limited to bicycle carts, portable barbeques or grills, tables and coolers." In reading this section, it lends to the intent being temporary structures.

Council has directed staff to do an education campaign regarding the prohibition of shipping containers; have undertaken a Community Improvement Plan to improve the look of our commercial areas and entrances to the communities; and require architectural control for commercial, industrial, institutional and residential development. It would then appear to be counter productive to permit vending from shipping containers and given staff's interpretation of the Zoning By-law is not permitted. This proposal will clarify this in the Zoning By-law.

Regarding street and rail cars, these are not simple temporary structures to be moved. They do not move upon their own power, nor can they be hooked up and towed down the road. They require a large flatbed tractor trailer for relocation and can require police escort, MTO approval and even local road closures. The use of these structures/buildings would not be consistent with the Vending By-law and as such, this proposal will also address this.

Vending By-law Amendment:

The proposed amendment to the Vending By-law would clear up the inconsistency in this By-law.

The By-law permits two types of licenses, Class A and Class B. Class A operates from a motorized vehicle that is defined under the Highway Traffic Act and is capable of travelling or being hauled behind a motor vehicle and has current motor vehicle licensed plates. That means that as a transient trader, the vehicle or trailer can be moved at any time with ease.

Class B is for non-motorized, muscular powered or stationary equipment or booth and shall include, but not limited to bicycle carts, portable barbeques or grills, table or coolers. The examples given here are highly portable as is the intent.

In both Class A and B, the intent of the By-law is to provide for a vendors license for a working licensed vehicle or trailer that can be moved at any time or of temporary portable structures or things. The amendment is proposed to ensure there is no confusion regarding the two classes of licenses.

A copy of a tracked changes version of the By-law is attached for information.

The changes proposed are as follows:

1. Remove the words "from a merchandise vehicle" out of the definition for merchandise vendor since a merchandise vendor could work under a Class B license where they would have a boot or something similar but not a vehicle. This is just an error in the definition.
2. Adding a definition for "temporary" as this is a term used often in the By-law but is not defined.
3. Adding provisions under Administration that:
 - a. ensure that a permanent business in a storefront location does not need a license;
 - b. That a drawing of the structures proposed is required to obtain a license, so that we know what we are licensing;
 - c. That a license extension has to be applied for annually;
 - d. That the Owner of the property must give written permission;
 - e. A list of which departments and groups are to be circulated the license for approval to provide more clarity to applicants and staff; and
 - f. A list of things to be considered in reviewing a license including health and safety and community planning, added also to provide clarity to the applicant and to staff.
4. Some other changes removed duplication and others changes moved what are general regulations that apply to both classes of licenses were moved to the general administration section.
5. Added provisions regarding the need to obtain approval from the Health Unit and meeting the provisions of the applicable Act where required to make it more clear what applicant require.
6. Relocating the powers of the By-law Officer from the General Regulations section to the Inspection - Power of Entry section where it belongs. Also relocated a few other articles to their appropriate location such as undert exemptions.
7. Added a provisions for TSSA approval where required to be clear to the applicants and staff.
8. Cleaning up Sections 7 and 8 and the Schedules. Most of Schedule "A" is duplicated in the body of the By-law and therefore are proposed to be

removed from the Schedule. Further, other than Appendix 1 to Schedule B which is the area around the Creemore BIA, the rest of Schedule B is also a duplicate of everything already covered in the By-law. Therefore Appendix 1 to Schedule B can be relabeled Schedule B and the rest of Schedule B is not required. This will make the By-law much simpler to read and understand.

COMMENTS AND ANALYSIS:

Provincial Policy Statement (2014)

As the proposal is simply to clarify some minor technical matters, the Provincial Policy doesn't have any specific policies that address the proposal. Hence, the proposal is consistent with the Provincial Policy Statement (2014) issued under the *Planning Act*.

A Place to Grow - Growth Plan for the Greater Golden Horseshoe (2019)

Similar to the Provincial Policy Statement, this proposal only clarifies the existing intent of the Zoning By-law is technical in nature. A Place to Grow doesn't have policies that either support or oppose the proposal. Hence, the proposal is consistent with A Place to Grow - Growth Plan for the Greater Golden Horseshoe (2019) issued under the Planning Act.

County of Simcoe Official Plan

Similar to the Provincial Policies, the policies of the County Official Plan do not support nor oppose the proposed technical amendment. Hence, the proposed housekeeping amendment conforms to the County of Simcoe Official Plan.

Clearview Township Official Plan (2001)

The proposed amendment is minor and technical in nature and conforms to the Township's Official Plan.

CLEARVIEW STRATEGIC PLAN:

The Strategic Priorities of the Strategic Plan 2017-2022 are not applicable to this report.

COMMUNICATION PLAN:

The Notice of Public Meeting regarding this application will be distributed in accordance with the requirements of the Planning Act.

FINANCIAL IMPACT:

Other than the public notice expenses, this proposal has no financial impact on the municipality.

PART 2 – ADMINISTRATION

- 2.0 The Clerk is responsible for the administration and enforcement of this By-law.;
- 2.1 The following administrative and legislative responsibilities are delegated and assigned to the Clerk as follows, but not limited to:
- (a) Preparing necessary documentation and form;
 - (b) Receiving and processing all application for Licenses and for renewals of Licenses;
 - (c) Issuing Licenses when an application is made in accordance with and in compliance with the provisions of this By-law;
- Maintaining records showing all applications received and licenses issued.

2.2 A license can only be issued where vending is temporary. All other vending shall be at a regular place of business, as defined by this By-law.

2.3 Every application for a new license or a renewal or extension of an existing license shall be submitted to the Clerk in the form provided.;

2.4 An applicant that requests permission to operate from a stationary position shall include a drawing showing the proposed location of all facilities associated with vending and of adjacent structures, and setbacks to property lines.

2.5 Every application for a new license or a renewal or extension of a license shall be accompanied by the full license fee, as set out in the applicable schedules.

2.6 –A licensee is not eligible for the renewal or extension of an existing license unless the licensee has provided an application form annually/per event where required by the Clerk;

2.7 If a food/refreshment/merchandise vendor is required to be set up on private property, written permission from the property owner to operate such vending is required;
2-2

Applications for a license must be received by the Clerk’s Office 45 days prior to event.

2-32.8 Despite sections to the contrary, the full license fee shall be paid, regardless of the date of application, if a person begins to carry on the business before submitting an application for a new license;

2.9 Every application for a license will be reviewed to determine whether it meets all of the general regulations set out in Part 3 General Regulations, and any special conditions set out in the applicable schedule for that business;

2-42.10 Adjustments in the rate structure will reviewed on a yearly basis.

~~As part of this review, an application will be circulated to the departments and boards set out in the schedule.~~

2.12 Prior to issuance of a permit or license, the following departments and Board shall be circulated for comments, inspection (if required) and approval:

- 1) Building Department
- 2) Clearview Fire Department
- 3) Public Works Department
- 4) Community Planning and Development Department
- 5) Creemore Business Improvement Area; location only for area identified in Schedule B of this By-law.

2-52.13 A permit or license shall not be issued without the concurrence of each of these Departments with respect to the applicant meeting the standards and requirements which those Departments administer.

~~2-62.14~~ Where an application is circulated to a department or board in accordance with the applicable schedule for that business, the department or board may require an inspection of the proposed place of business;

2.15 -Reason for Licensing/Conditions:

When reviewing an application, the following matters are considered:

2.15.1 Health and Safety – to ensure that proper food handling procedures are met, that all combustible materials are safely stored; to ensure that equipment is operating safely and is inspected annually with the applicable governing agency and that the operation is situated so as to ensure the safety of pedestrians.

2.15.2 Community Planning – to ensure that activities are compatible with adjacent uses; to not interfere with the enjoyment of private property; to not create traffic congestion or interference with pedestrians, bicyclists and motorists; to meet community aesthetic and compatibility standards; to not interfere with other businesses; and to govern appropriate use of public lands.

PART 3 – GENERAL REGULATIONS

3.1 All vendors on either private or public lands shall require a license for the current year or event unless exempt under Part 6 by this By-law. ~~No person shall hold, own, operate, sell, carry on or engage in any of the business, trade or occupations as listed on Schedule "A" to this by-law within the Township of Clearview without first having obtained a License for the current year/or event/business license.~~
