

Maximum Contributions to Own Campaign

Notice: Be advised that due to the decrease in Clearview Township Wards from 7 (2018 Election) to 5 for the 2022 Election, the amounts contained herein **are estimates only** based on the number of electors from the MPAC Potential Elector Counts Summary Report printed on March 3, 2022 and not the elector numbers from the 2018 Election as of September 15th of that Election year (s. 88.20(11) of the Municipal Elections Act).

These amounts are subject to change once the Preliminary List of Electors has been received from MPAC and a final Certificate of Maximum Amounts is issued by the Clerk on or before September 25, 2022.

Contribution Limits – Candidate and Spouse

If you are running for Municipal Council, there is a limit on the total amount that you and your spouse may collectively contribute to your own campaign. The contribution limit is calculated based on the number of electors who are eligible to vote for the office that you are running for. The formula to calculate the limit is:

Head of Council: $\$7500 + \0.20 per eligible elector

Deputy Mayor, Council member or Trustee: $\$5000 + \0.20 per eligible elector

There is a cap of \$25,000 for contributions to your own campaign. If the formula results in a number greater than the cap, the limit will still be \$25,000.

All contributions that you and your spouse make to your own campaign count towards this limit, including:

- Contributions of money
- The value of goods or services that you or your spouse donate to the campaign
- The value of any inventory from the previous election that you use again in this campaign

This limit does not apply to School Board Trustee candidates.
